

U.S. Department
of Transportation

ADMINISTRATION FOR
CHILDREN & FAMILIES

Always double check
the front and back
seats of your vehicle
to prevent subjecting
a child to heatstroke.

Safety Tips

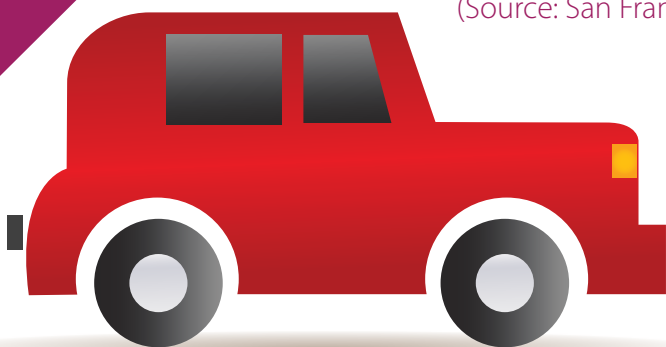

Visit
safecar.org

- Look in the vehicle before locking the door.
- Contact a designated family member if a child doesn't arrive as expected.
- Call 911 if you see a child alone in a vehicle.

In 2014

17 children
died from vehicular
heatstroke
